

CAPE FEAR BALLROOM DANCERS

P.O. Box 1359 Fayetteville, NC 28302

Executive Board Meeting Oct. 18, 2008

Present: Gene Reynolds Mary Webb
 Sandra Peterson Carol Conklin
 Dick Webb Haze Hinton

- Dick reported - approximately \$8700 balance in bank account.
- Discussion followed as to how best handle the increase of costs at dinner dances. Agreed to pay difference (club) at Christmas dance - then at January meeting discuss more fully.
- NOTE: - At a guesstimate of \$500 loss per dance - 4 dances annually = \$2000, which in 3-4 years would drain our bank account.
- Gene reported that several people had requested that we not have all Christmas music at December formal - that more conventional ballroom dance music be used also.
- Mary Webb would like a replacement for her as Hospitality Chair - it was agreed to try finding a volunteer.
- Sandra reported she would not be available for the 15 November dance, but arrangements had been made for young Roland to play the music.
- Reported by H. Hinton in the absence of Ann Bailey -
- Dance dates for 2009 are in process of being coordinated with Roland's Studio and Highland.
